Dear Bishop,

My name is Lyle Hadlock, and I hope you will consider one of my CDs, “Songs for The Sabbath” or "There is a Green Hill Far Away" as a Mother's Day gift for the sisters in your ward. This will be the fourth year that I have offered a CD to wards as a Mother's Day gift (at pennies above my cost), and the feedback has been very positive. The sisters have so appreciated a meaningful gift that lasts.

These CDs offer peaceful, instrumental arrangements of hymns and primary songs. My purpose was to create music that invites a calming spirit and influence into the homes of our families, and from the feedback I continue to receive, I believe that purpose has been achieved. Both CDs are perfect for Sabbath worship, quiet and soothing background music for scripture study, as well as for missionaries.

These CDs are being retailed in LDS bookstores (nationwide and in Canada) at the cost of $10-15 per CD. I am able to offer them to you at the extremely reasonable price of $1.90 because of the number of CDs purchased. I only do this at Mother's Day, although I have had some wards ask to do it for a Christmas gift.

I hope that you will take the time to listen to selections from the CDs at LyleHadlockMusic.com. If you enjoy what you hear, please share this information with any bishop you know. If you have a CD, you have my permission to burn a copy to share with them. I'm an independent musician with very limited time and means of getting this out to a lot of people - I am just trying to continue recording and sharing what I believe to be a God-given musical gift.

If you decide to place an order, please do so by Monday, April 17, 2006, so I have sufficient time for duplication. If you have any questions, please email me at brownsanta@juno.com (I'm a UPS driver), or phone my home at 801-491-8208. My wife is the best personal secretary in the world!

Thank you sincerely for your consideration.
