Hello,

My name is Lyle Hadlock and I'm offering my newest CD, "We Ever Pray for Thee" for you to consider as a Mother's Day gift to the women in your ward.

This CD offers peaceful, instrumental arrangements like previous CD's I've done. Many of you have already ordered CD's from me in the past. For any of you who are new to my music, this will be my 6th year offering a CD for Mother's Day, and the feedback has been overwhelmingly positive. You can check out my website at www.lylehadlockmusic.com to get an idea of what I offer and listen to samples of the CD.

I am able to offer this CD to you at the extremely reasonable price of $2.00 each. I only offer this price to wards because of the bulk amount ordered. Besides this latest CD, I also have a surplus of my other CD's ("Songs for the Sabbath," "There is a Green Hill Far Away," and "An Ebony and Ivory Christmas") available. I encourage you to share this information with any bishops you know. If you are no longer the bishop or contact person for your ward, please pass this on to the new bishop or contact person.

If you decide to place an order, please do so **by Monday, April 7th, 2008** using the order form in this letter. I'll then send you a confirmation invoice. At that time, payment in full is required. Send payments to:

Hadlock Music, LLC
291 East 1200 North
Mapleton, UT 84664

If you have any further questions, please email me at mothersdaycd@yahoo.com, or you can call (801) 471-6468 or (801) 427-5353.

Thank you sincerely for your consideration,

Lyle K. Hadlock
